Unless otherwise noted Purchase order contains the complete agreement for purchase between Micro Technologies and the seller. All terms included on the purchase order including the exact manufacturer, model number, condition, warranty, form factor, bezel color and any other specifications must be strictly adhered to. No substitutions will be permitted unless approved by buyer and the purchase order is revised. Purchase order must be shipped complete unless "partial shipment okay" is written on the PO. All equipment must be received as described on PO. Product purchased that is not new must be working, complete and in average cosmetic condition, unless Purchase order specifies "as is." Vendor must provide proper packaging to avoid shipping damage. Any equipment received not meeting the requirements will be returned for a full refund from the seller. All returns will be shipped on Vendor's account. Shipment on this PO indicates agreement of these terms.
